

# Asylum @ HOLLYWOOD FRINGE

Theater Asylum is back for our eighth year as a venue and producer in the Hollywood Fringe Festival. As always, we look forward to working with a wide variety of artists and are happy to offer our expertise so that you have the best show and experience possible.

Who we are.

Theater Asylum is a venue and production management company that provides venues with a trained staff and coordinated pr and social media plan. In addition, we offer publicity and production services and offer a free consultation. With over ten years of Fringe experience combined, in Los Angeles and San Francisco, you will see why so many previous productions return to our venues every year. For several years now, we have had the largest number of shows in our venues including several award winners. We pride ourselves on a strong Fringe community spirit and are very active on the Venue Committee and HFF Advisory Board. In addition, we're the Executive producers of the ENCORE (best of) awards following the HFF in July and are award winning producers with over 25 years of experience.

### **General Info & Pricing**

-Last year we had 64 participants in our venues

-Shows are usually 60 minutes or less. There is some wiggle room possible with 75 min and a limited availability for 75 - 90 min shows. We cannot accommodate 2 hours shows.

-Each slot also included 15 minutes for set-up and strike. ( 60min show = 90min slot, 90min show=120min slot)

-You can purchase any number of slots.

We've created packages of shows that give you the best deal.

-While we try to accommodate your desired times (so send us those), we do not let groups 'cherry-pick' the prime slots. After seven years of experience and positive feedback, we feel, for Fringe, this is the best way to do it.

-We will have slots available for Press Week (June 1 - 6)

-Most groups get one package of five shows each, some with extra slots for press week. The shows are spread out over the three week festival with prime, afternoon/early evening and late/morning shows. We tend not to give weekday day slots, unless requested.

-Additional slots can be added to your package or two packages can be purchased.

Two ways to start your submission process

1) Create an account on [https://www.hollywoodfringe.org/profile/add\\_user?](https://www.hollywoodfringe.org/profile/add_user?) and then create a project and go through the various steps at [http://www.hollywoodfringe.org/add\\_project](http://www.hollywoodfringe.org/add_project)  
These are the steps:

PROJECT BASICS →PROJECT DETAILS →TAG PROJECT →CHOOSE SPACE  
→REGISTER PROJECT →PROMOTE PROJECT

NOTE - You don't need to / (in fact you shouldn't) pay for registration until after you have signed with a venue.

2) Fill out the Asylum/ENCORE submission form:

[HFF17 ASYLUM VENUES & ENCORE AWARDS SUBMISSION FORM](#)

Our submission form also signs you up for the ENCORE (Best of awards in July)

The form and additional information on publicity, consulting and free producing workshops are available at [www.theaterasylum.com](http://www.theaterasylum.com)

3) After either/both of these steps, schedule a walkthrough of our venues by emailing me at [mquinn@theaterasylum.com](mailto:mquinn@theaterasylum.com).

And as always, I'm available to answer any of your questions. We understand how challenging it can be to produce a show and we're here to help.

Hope to see you in June at The Asylum!!!
